for Fiscal Years 1986 and 1987.**

**MEMORANDUM TO DIRECTORS OF PERSONNEL**

This refers to FPM Bulletin 920-77, dated May 6, 1985, subject as above, which transmitted instructions for the biennial review of SES and other executive position authorizations.

Requests from the departments and agencies have been reviewed and evaluated by the Office of Personnel Management, and are presently undergoing final analysis (including consultation with the Office of Management and Budget) to determine Government-wide allocations. This process should be completed in the near future.

For the time being, SES and other authorizations in effect on September 30, 1985 will continue into FY 1986. Agencies should avoid any significant increases to their present on-board SES strength, however, pending receipt of their new authorizations. You will be specifically notified, by letter to the head of your agency, regarding official FY 1986 and 1987 authorizations as soon as the final figures are determined.
